STUDENTS CAN STAY AHEAD OF THE REST

AUR30620 CERTIFICATE III IN LIGHT VEHICLE MECHANICAL TECHNOLOGY

COURSE CODE: AUR30620
CRICOS CODE: 103669J
COURSE LENGTH: 60 weeks
CAREER OUTCOMES: Automotive mechanic
ARTICULATION PATHWAY: Certificate IV in Automotive Mechanical Diagnosis
CAMPUS: Ashmore Campus, Brisbane Campus

OVERVIEW

Do you dream of working in the automotive industry? By choosing to begin your automotive training with Imagine Education, you can be assured that you are giving yourself the best possible start to your automotive career.

Throughout your 60-week course you will be given hands-on training and work on real vehicles at our purpose-built automotive workshop. You will also receive quality theory training that is tailored to compliment your practical lessons.

Your course will cover; knowledge of a wide range of fundamental principles relating to industry practices and procedures; how to service, repair, and diagnose faults in a motor vehicle weighing up to 4.5 Tonnes; how to diagnose, service, and repair faults in light vehicle engines, transmission, suspension, steering, brake, electrical systems and components; and a sound understanding of the vehicles' construction, component identification, and operating principles.

ENTRY REQUIREMENTS

Students need to be 15 years old and are required to have reading, writing and comprehension skills equivalent to Year 10 pass level to successfully complete the Certificate level courses.

Overseas students English Proficiency Level will be tested prior to the commencement of Vocational Education and Training Courses. Imagine Education Australia requires an IELTS 5.5 with no band less than 5, or equivalent (as determined by Imagine Education Australia).

Should you feel you may not possess these literacy skills or have not completed a formal leaving certificate please contact us to discuss support arrangements.
